HAV'ALOOK GARDENS

FOWLERVILLE, MICH

PRICE LIST

Alpines - Perennials - Aquatics - Etc.

Our gardens are located in the rich Livingston County dairy region, and are easily reached over the good gravel roads from the U.S.-16 pavement. We are located three miles south and two and one-fourth miles west of the red light in the village of Fowlerville.

Visitors Welcome.

Open Sundays

HAV'ALOOK GARDENS

The plants offered in this list, are such as we use in our own planting and will grow readily. Since these prices are a saving to the customer, we ask that you remit fully with the order. Delivery will be made in April or May.

CHRYSANTHEMUMS

The plants we offer are the so-called early varieties being mostly in full bloom October 1st or before.

AMELIA—(Pink Cushion) Often called AZALEAMUM. Very charming dwarf. Each	\$.25
ALADDIN—The popular bronze so much advertised the past few seasons. Very fine. Each25
NORMANDY—An older favorite. Each15
RUTH HATTON—The best early white. Each15
BARBARA CUMMINGS—A splendid early yellow. Each15
ADELAIDE—A deep dull brown or bronze. Very striking. Each15
COREANUM—The so much talked of single. A good border plant. Each15

ONE EACH OF THE ABOVE FOR \$1.00

COLLECTION OF ONE EACH OF THE COREANUM
HYBRIDS FOR \$2.50

HARDY ASTERS

A fine autumn flower too often overlooked. The following are the best of several dozen sorts tried out in our garden.

BARR'S PINK—Lovely rose pink. A wonderful flower for landscape effect. Each25
QUEEN MARY—Beautiful large blue flowers with golden centers. Each25
SKYLAND'S QUEEN—Exceptionally large lavender blue with golden centers. Each25
CHARMING—A very new and unusual sort, clear lavender, forms a beautiful specimen three feet across and only 16 inches or 18 inches in height with thousands of blooms. Exceptionally good. Each35
MRS. F. C. PETERS—A beautiful dwarf aster about 12 inches in height with quantities of clear lavender blue flowers. To see this sort is to want it. A very limited supply. Each35

ONE PLANT EACH OF THE ABOVE \$1.25

HAV'ALOOK GARDENS

DIANTHUS

The pink family are always favorites, from the dwarf sorts of only one or two inches up to the tall CRUENTUS growing 24 inches in height. We offer about 20 varieties, a collection of 10 varieties our choice, labelled for ----\$2.00

ERODIUM CHAMAEDRYOIDES ROSEUM

This miniature alpine is in bloom continuously from May until hard frosts in the autumn. Tufts of deep green leaves, delicate pink veined flowers on two-inch stems. Each ----- .35

DORONICUM

The beautiful yellow daisy for the springtime border, tall slender stems each topped with a gay gerbera-like flower. Each -----25c, 3 for 65c

LEWISIA REDEVIVA

The bitter root is a most beautiful plant for a well drained spot in the sunny rock garden. Needle-like leaves with exquisite flowers varying from white to pink. After blooming the plant disappears until autumn when the awl-like leaves appear. Fine acclimated plants. Each -----25c, 5 for \$1.00

CAMPANULA POSCHARKSKYANA

Finest of the dwarf campanulas. Handsome foliage and quantities of soft blue flowers borne on long trailing stems. One of the finest of the new introductions. Each ---- .35

ONOSMA TAURICUM

The charming gold drop of English rock gardens. Clusters of bulb-shaped clear yellow flowers all thru the summer. Place where it can drape over a large rock, in good porous soil it will create a sensation. Each ----- .35

CORYDALIS LUTEA

One of the best everblooming plants for the garden, does splendidly in shady or semi-shady places. Beautiful finely cut foliage with dicentra-like blooms of clear pale yellow. A gem for the rock wall or garden. Each ----- .35

GERANIUM LANCASTRIENSE

A hardy little plant with pale pink flowers like small wild roses, beautifully striped and pencilled dark rose. The leaves are highly colored during the autumn. Each 50c.

HARDY GERANIUMS

I know of no group of plants that give more pleasure than do the geraniums. Their foliage is interesting and their bloom is varied and beautiful. We offer five distinct named varieties for ----- \$1.50

HAV'ALOOK GARDENS

HYPERICUM OLYMPICUM

The star shaped flowers of golden yellow with their slender stamens make a beautiful group in the sunny rock garden. Does not exceed six inches in height, very hardy. Each 35c, 3 for -----\$1.00

PAPAVER PINK PERFECTION

A beautiful soft pink Oriental Poppy, our favorite among a large number of varieties we are growing. Fine plants for early spring delivery. Each 35c, 3 for -----\$1.00

HELLEBORUS ORIENTALIS

Due to a very successful growing season we are able to offer our patrons a splendid lot of this rare plant. Should be treated as the Christmas Rose giving partial shade. Each ----- .60

BUDDLEYA ALTERNIFOLIA

A very fine addition to our hardy shrubs, winter hardy, blooms in mid-June, the whole bush making a fountain of soft lavender. Potted Plants, each ----- .35

ROSA ROULETTI

The sensational alpine rose. A very fine rose with flowers the size of a dime or a trifle larger of clear pink. With good soil and moisture this rose will bloom continuously from June until frost in the rock garden.

Small Plants, each ----- .25
Large Plants, each ----- .60

VERONICA

The speedwells are a most interesting genus of plants, giving us the finest blues for rock garden or border. Our collection consists of more than thirty of the best varieties.

10 Dwarf Sorts ----- \$1.25
10 Medium and Tall Sorts ----- \$1.25

SEDUM

A worthwhile family of plants, too often misjudged because of a few easy members of the group. Our collection numbers more than sixty distinct varieties.

A Collection of Ten Sorts ----- \$1.00
25 Varieties Labelled ----- \$3.50

THYMUS

The thymes are one of the most fragrant and pleasing families of rock garden plants. Let us send you a collection of ten all different for ----- \$2.00

TIGRIDIA

The exotic appearing Tigridia is one of the most cheerful and pleasing of summer blooming bulbs. The colors are brilliant, their culture not difficult and they are unusual. Good blooming size bulbs. Per Doz. ----- \$1.50
